(together, the "Notes")

Garfunkelux Holdco 3 S.A., (a public limited liability company (*société anonyme*) incorporated under the laws of the Grand Duchy of Luxembourg (the "**Issuer**", and together with its subsidiaries, the "**Group**") is pleased to announce that, as at 6:00 p.m. on 18 June 2025, holders of more than 90% of each of the aggregate principal amounts of the Notes have provided consent to amend the Notes indenture via the consent solicitation launched on 5 May 2025 (the "**Consent Solicitation**"). The Company has therefore obtained the consents needed to implement the proposed recapitalisation transaction as outlined in recent announcements (the "**Transaction**") on a fully consensual basis. Upon receipt of the requisite consents, the Issuer, the trustee and the other parties to the indenture, *inter alios*, executed a supplemental indenture (the "**Supplemental Indenture**") giving effect to the proposed amendments with respect to the indenture (the "**Effective Time**"). As of the Effective Time, consents submitted are no longer permitted to be revoked. Although the supplemental indenture became effective at the Effective Time, the proposed amendments will not become operative until satisfaction of the conditions to the Consent Solicitation.

Prior to the execution of the Supplemental Indenture, GLAS Trust Company LLC replaced Citibank, N.A., London Branch as trustee under the Notes indenture.

Legal Disclaimer

This press release includes forward-looking statements within the meaning of the securities laws of certain applicable jurisdictions. These forward-looking statements include, but are not limited to, all statements other than statements of historical facts contained in this press release, including, without limitation, those regarding the Group's or any of its affiliate's future financial position and results of operations, their strategy, plans, objectives, goals and targets, future developments in the markets in which they participate or are seeking to participate or anticipated regulatory changes in the markets in which they operate or intend to operate. In some cases, these forward-looking statements can be identified by terminology such as "aim," "anticipate," "believe," "continue," "could," "estimate," "expect," "forecast," "guidance," "intend," "may," "plan," "potential," "predict," "projected," "should," or "will" or the negative of such terms or other comparable terminology.

By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors because they relate to events and depend on circumstances that may or may not occur in the future. Readers are cautioned that forward-looking statements are not guarantees of future performance and are based on numerous assumptions and that the Group's or any of its affiliate's actual results of operations, financial condition and liquidity, and the development of the industries in which they operate, may differ materially from (and be more negative than) those made in, or suggested by, the forward-looking statements contained in this press release. In addition, even if the Group's or any of its affiliate's results of operations, financial condition and liquidity, and the development of the industries in which they operate, are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
