The Company may have included certain non-IFRS financial measures in this presentation, including Estimated Remaining Collections ("ERC"), Cash EBITDA, Portfolio Acquisitions, Net Debt and certain other financial measures and ratios. These measurements may not be comparable to those of other companies and may be calculated differently from similar measurements under the indentures governing the Company's and Senior Notes due 2023 and the Company's direct subsidiary (Garfunkelux Holdco 3 S.A.) Senior Secured Notes due 2022 and 2023 ("Notes"). Reference to these non-IFRS financial measures should be considered in addition to IFRS financial measures, but should not be considered a substitute for results that are presented in accordance with IFRS.

Certain information contained in this presentation has not been subject to any independent audit or review. A significant portion of the information contained in this document, including all market data and trend information, is based on estimates or expectations of the Company, and there can be no assurance that these estimates or expectations are or will prove to be accurate. Our internal estimates have not been verified by an external expert, and we cannot guarantee that a third party using different methods to assemble, analyze or compute market information and data would obtain or generate the same results. We have not verified the accuracy of such information, data or predictions contained in this report that were taken or derived from industry publications, public documents of our competitors or other external sources. Further, our competitors may define our and their markets differently than we do. In addition, past performance of the Company is not indicative of future performance. The future performance of the Company will depend on numerous factors which are subject to uncertainty.

In addition, certain statements may be contained in press releases, and in oral and written statements made by or with the approval of the Company that are not statements of historical fact and constitute forward-looking statements. Examples of forward-looking statements include, but are not limited to: (i) statements about future financial and operating results; (ii) statements of strategic objectives, business prospects, future financial condition, budgets, projected levels of production, projected costs and projected levels of revenues and profits of the Company or its management or board of directors; (iii) statements of future economic performance; and (iv) statements of assumptions underlying such statements.

Forward-looking statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions which are difficult to predict and outside of the control of the management of the Company. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. We have based these assumptions on information currently available to us, if any one or more of these assumptions turn out to be incorrect, actual market results may differ from those predicted. While we do not know what impact any such differences may have on our business, if there are such differences, our future results of operations and financial condition, and the market price of the Notes, could be materially adversely affected. You should not place undue reliance on these forward-looking statements. All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters and attributable to the Company or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements referenced above. Forward-looking statements speak only as of the date on which such statements are made. The Company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statement to reflect events or circumstances after the date on which such statement is made, or to reflect the occurrence of unanticipated events.
